

USA/Canada Church of the Nazarene

Magazine Survey

Report of comments on preferred writers – December 11, 2009

In October 2009, the USA/Canada Regional Office notified recipients of *GROW Magazine* that the magazine would no longer be produced. Instead, a new magazine was being conceived and recipients of *GROW* were being asked for their input. An open invitation to the survey was also announced in Nazarene News. Between October 29 and December 2, 2009 a total of 810 surveys were completed online.

Part of the survey data asked responders, "Is there anybody you would like to read articles by?" Below is a tabulation of responses based on Nazarene and non-Nazarene preferences. Persons who were listed only once or twice were not included in this survey report.

***Note:** This listing of general superintendents denotes when responses referred to them as a collective. Each general superintendent was also mentioned individually as noted below.

Question: Is there anybody you would like to read articles by?
